

**BEACH CAMP AT SUNSET BAY (AGES 8-17)**  
 Directions at registration. 14725 Norma Beach Road, Edmonds.  
 Preview the fun at [www.sunsetbay.com](http://www.sunsetbay.com).  
 Camper registration form required.

Sunset Bay's one-of-a-kind watersports camp is the most fun on the water this side of Hawaii! With a half-acre wharf, miles of sandy beach, and instruction in every imaginable watersports activity, you'll learn the fundamentals of sea kayaking, sailing, stand-up paddle boarding, wake boarding, snorkeling and more! Wet-suits and hot tubs keep everyone warm in any weather, and the program is tiered for all levels of experience and ability.

The Beach Camp residential program features great evening activities, catered meals, and accommodations in two modern boys and girls cabins plus cabanas on the dock. The overnight camp features unique experiences including sunset stand up paddle boarding, beach bonfires, bioluminescent snorkeling, s'mores and more. Living on the dock for a week is an incredible experience that will last a lifetime. There is no wonder that our campers believe Beach Camp Sleepover Camp is the BEST camp in the world!

UK Elite uses an age appropriate global curriculum to develop technical and tactical aspects of soccer. The dynamic global curriculum will introduce you to soccer games and activities from Brazil, England, Spain, Holland and USA. Each program is guaranteed to challenge players in a safe, fun and engaging soccer environment. Players receive instruction from the professional UK Elite coaches and also receive a UK Elite t-shirt, player evaluation or certificate. Camper registration form required.

Learn simple rope and partner skills, Double Dutch, long rope and specialty jumping from the Jumpin' J's, a family based business comprised of current and former members of the world-champion Hot Dog USA jump rope team. Make new friends being active and have fun! Show off performance techniques on the last day during a 30 minute show for family and friends. Bring water bottle, healthy snack and wear loose, comfortable clothing and tennis shoes. May bring your own jump rope, borrow from Jumpin' J's or purchase one for \$6 on first day. Camp minimum is 20. Camper registration form required.

Meet at the Frances Anderson Center each day and walk to beaches or parks in Edmonds. All camps led by our Interpretive Specialist and Ranger Naturalists. Bring a healthy sack lunch and dress for the weather. 10% discount for siblings.  
Camper registration form required.

Discover Edmonds' Marine Sanctuary with a Beach Ranger and learn about the creatures that live there through activities, games, and crafts. Learn how Beach Rangers keep animals and people safe while exploring tide pools and the Ranger Station. Get a Beach Ranger badge at the end of the week!

Explore the wild side of Edmonds forests, parks, and beaches. Learn how to use the tools of plant and wildlife biologists to identify and understand the natural environment around us. Games and crafts add extra fun to this camp with a new nature theme each day!

Discover Edmonds' Marine Sanctuary with a Beach Ranger and learn about the creatures that live there through activities, games, and craft. Learn how Beach Rangers interpret tides, marine animals, seaweed, seabirds, and learn some techniques of marine biologists. Campers will be awarded a Beach Ranger badge at the end of the week.

Learn to do what professional naturalists do: animal tracking, nature journaling, bird identification, stream and wetland investigations, and more. Use scientific tools while exploring the forest, marsh, and intertidal habitats of Edmonds.

Draw, roll, press, peel and lift! Young artists can stretch their creativity exploring five printmaking techniques including monotype, block prints, gelatin prints, scratch-foam prints and screen prints. All ink, paint, materials and tools provided. Dress for mess. \$8 supply fee. Bring nut-free snack and water bottle. Instructor, April Richardson. Camper registration form required.

Arrgghh Mateys! We be settin' sail with a gang o' pirates! Musical activities and songs, plus beautifully illustrated, age-appropriate story-books will fill the sails of your little scallywags' imagination. We'll fend off privateers with our swords and trebuchets, and defend our port from poisonous jellyfish. Dancing on deck is a must for pirate fitness and singing is a *definite* pirate skill! We'll make time to learn how to distinguish rhythmic patterns in 3/4 and 4/4 time, how to hear and reproduce intervals, and how to match a steady beat. Your child is in for some serious musical learning, disguised in a three cornered hat, with fun and games. \$55 supply fee includes crafts, a book and CD at the end of the week. Instructor, Joyous Noise Studio staff.

Build confidence, creative thinking and language skills through fun, fast paced drama exercises while learning the art of stand-up comedy, pantomime, improvisation, and clowning. We'll rehearse special comedy and clown capers that will be performed at the end of camp Big Show. Come join the fun and laughter! Performance at 12pm on last day of camp. Bring nut-free healthy snack and water bottle. Drama instructor, Sue Pargman, has been teaching for over 30 years. Camper registration form required.

Discover the fun and imaginative world of Japanese Animation where we'll explore a wide variety of Anime characters – boys, girls, monsters, even food! You'll create your very own characters and stories using specific guidelines, techniques, artist quality mediums and most importantly, your imagination! Bring a nut-free healthy snack and water bottle. \$10 supply fee. Instructor, Jessica Carlson. Camper registration form required.

Join us as we explore the beautiful scenery, amazing wildlife, special sites, and fascinating history of the great Pacific Northwest. Drawing and craft projects will chronicle our adventures. Artist quality mediums used. Bring a nut-free healthy snack and water bottle. \$10 supply fee. Instructor, Jessica Carlson. Camper registration form required.

Do you love taking pictures? Want to improve your shots? Learn photography concepts and camera operation while taking a lot of pictures in a positive, fun environment. Bring your digital camera and manual to class. Instructor, Karen Ulvestad, professional photographer. Camper registration form required.

Unleash your creative spirit while experiencing different art mediums and processes. We will explore clay, collage, watercolor, oil pastel, colored pencil and acrylic paint projects. \$25 supply fee. Instructor, Julie Perrine. This is a M, W, Th, F camp with no camp Tu July 4. Camper registration form required.

In its 11<sup>th</sup> year, our Monty Python production is "something completely different" yet still hilarious! TWO fun-filled weeks of exploring theater games, costumes, stage combat, British humor and just plain silliness. Read scripts, work on communication skills and develop self-confidence. Everyone will have a chance to shine! Outdoor performance from 3-5pm on last day. \$5 supply fee. Bring nut-free healthy sack lunch, snack and water bottle. Act In Class Director, Laurel Paxton. Camper registration form required.

Math has never been so artsy! Girls will learn about famous artists and use those masterpieces to inspire their own artwork. Younger girls learn about are Vincent Van Gogh, Henri Matisse, Edgar Degas, Mary Cassatt and Paul Klee as they create collages, paintings and drawings while exploring various mathematical concepts such as shapes, fractions, addition, subtraction and measurement. Older girls investigate geometry through cubism and surrealism, study proportion and fractions through figure drawing, and multiplication concepts through arrays and area. Artists they'll learn about are MC Escher, Piet Mondrian, Frida Kahlo, Pablo Picasso and Georgia O'Keefe. Bring nut-free healthy sack lunch, snack, sunscreen and water bottle. Girls Rock Math instructor, Melissa Schmolli. Camper registration form required.

Playing steel pans (steel drums) is fun! Join internationally known steel pan artist and local teacher, Gary Gibson, to learn music fundamentals (rhythm, melody, harmony) and proper steel pan techniques. Learning music on the steel pan has a gentler initial learning curve than other traditional instruments, so groups can sound great relatively quickly. No prior musical experience necessary. All instruments and materials provided. A mini-performance will be held on the last day of camp. Held at Steel Magic Northwest's space at Edmonds Adventist Church 8625 - 196th St SW Edmonds. Camper registration form required.

**LEGO® ENGINEERING CAMPS**  
Students work individually, in teams and as a group. All listed projects might not be made; instructor selects projects. Bring nut-free healthy snack and water bottle. Instructor, Play-Well staff. Visit [www.play-well.org](http://www.play-well.org). Camper registration form required.

**INTRO TO STEM WITH LEGO®: SUMMER 2 GRADES K-2 (AGES 5-7)**  
Ratchet up your imagination with tens of thousands of LEGO®! Build engineer designed projects such as motorcycles, castles, airplanes, and monorails. Then use special pieces to create your own unique design! New and returning students can explore the endless creative possibilities of the LEGO® building system with the guidance of an experienced Play-Well instructor. Summer 1 is not a prerequisite for Summer 2.  
5671 8/28-9/1 M-F 9am-Noon \*\$191/\$220

**MINE, CRAFT, BUILD: ADVENTURE GAME USING LEGO® GRADES K-2 (AGES 5-7)**  
Bring Minecraft to life using LEGO®! Resourcefulness, creativity, and cooperation come together in this unique building adventure game; roll the dice to mine for resources, and use these resources to build special items to help in our adventures! Build a zoo, create a medieval castle, and design a tree house village! This LEGO® experience is an original game designed by Play-Well instructors inspired by the popular game, Minecraft. Have a blast, even without any prior experience with Minecraft or LEGO®.  
5674 7/17-7/21 M-F 9am-Noon \*\$191/\$220

**CONSTRUCTION VEHICLES & MACHINES GRADES K-2 (AGES 5-7)**  
Dig into engineering with big trucks, construction vehicles and super machines. Explore the engineering terms, concepts, and vocabulary behind large scale building machines. Build and learn about steamrollers, bulldozers, wrecking balls, tower cranes, and more while building with your favorite building system, LEGO®.  
5677 8/21-8/25 M-F 9am-Noon \*\$191/\$220

**ROBOTICS USING LEGO® WEDO GRADES 2-4 (AGES 7-9)**  
Build and program robots in this introductory Robotics class using the LEGO® WeDo system. Learn basic programming skills, simple engineering concepts, and the names of robot components. Work in small groups to complete several projects using tilt and motion sensors. This is a great way to prepare young Robotics enthusiasts for our more advanced Robotics programs.  
5681 7/24-7/28 M-F 9am-Noon \*\$234/\$269

**STEM CHALLENGE WITH LEGO® GRADES 2-6 (AGES 7-12)**  
Level up your engineering skills with Play-Well TEKnologies and tens of thousands of LEGO®! Apply real-world concepts in physics, engineering, and architecture through engineer-designed projects. Design and build as never before, and explore your craziest ideas in a supportive environment.  
**SUMMER 2**  
Build belt-drive cars, truss bridges, rail racers, and pneumatic forklifts! Summer 1 is not a prerequisite for Summer 2.  
5672 8/28-9/1 M-F 1-4pm \*\$191/\$220  
**SUMMER 3**  
Build gear cars, gondolas, merry-go-rounds, and scissor lifts! Summer 1 and 2 are not prerequisites for Summer 3.  
5679 8/21-8/25 M-F 1-4pm \*\$191/\$220

**MINE, CRAFT, BUILD: SURVIVAL GAME USING LEGO® GRADES 3-6 (AGES 8-12)**  
Bring Minecraft to life using LEGO®! Resourcefulness, creativity, and cooperation come together in this unique building adventure game; roll the dice to mine for resources, craft tools, and watch out for Creepers! This ultimate LEGO®Minecraft experience is an original game designed by Play-Well instructors, using gameplay elements and characters inspired by the popular Minecraft video game. Have a blast, even without any prior experience with Minecraft or LEGO®.  
5675 7/17-7/21 M-F 1-4pm \*\$191/\$220

**ROBOTICS USING LEGO® EV3 GRADES 5-8 (AGES 10-14)**  
Build and program robots using the LEGO® Mindstorms EV3 system! Learn about mechanical and software design, loops, conditional statements, problem solving, and teamwork skills. Work in small groups, program and build your robot, and rise to the challenge. Control the robot to avoid obstacles, pick up and carry objects, and play sounds. Projects are structured so that students work in an open-ended, investigative environment while having fun.  
5683 7/24-7/28 M-F 1-4pm \*\$234/\$269

**MAD SCIENCE: CRAZY CHEMWORKS GRADES 1-6 (AGES 6-11)**  
The wonders of chemistry are revealed as your Junior Chemist creates surprising concoctions, breaks molecules with ease and shakes up a flask full of fun. Kids will use the tools, safety procedures and laboratory techniques of real chemists as they investigate solids, liquids and gases at the atomic level. They'll craft chemical combinations to create super-sticky-stuff, analyze the properties of light and discover why things glow-in-the-dark. Each day includes a take-home to share the Mad Science experience with family and friends. Bring nut-free snack and water bottle. Instructor, Mad Science staff. Camper registration form required.  
5654 7/24-7/28 M-F 9am-Noon \*\$199/\$229

**MAD SCIENCE: SPY ACADEMY GRADES 2-6 (AGES 7-11)**  
Look out 007 - the Mad Science spy academy is in session! Sharpen your special operative skills as you uncover the secret world of espionage. Learn the art of listening and observation, sending secret messages and decoding clues, and check out security systems and super cool spy equipment. Discover what it takes to keep things safe and how technology works in the spy game. The key to being a great spy is your ability to "sniff" out your suspects and uncover their secrets. Each day includes a take-home to share the Mad Science experience with family and friends. Bring nut-free snack and water bottle. Instructor, Mad Science staff. Camper registration form required.  
5655 7/24-7/28 M-F 1-4pm \*\$199/\$229

**MAD SCIENCE FULL DAY CRAZY CHEMWORKS & SPY ACADEMY GRADES 2-6 (AGES 7-11)**  
Experience a full day of Mad Science and save 10%. Lunch hour will include time to eat, supervised time outside on the playground, and a special Mad Science game. Bring nut-free sack lunch, snack and water bottle. Camper registration form required.  
5657 7/24-7/28 M-F 9am-4pm \*\$358/\$412

\*Edmonds residents receive a discount.

**GYMNASTIC CAMPS**  
All recreational levels of experience are welcome. 10am-3pm camp participants will also enjoy a partial day swim, beach walk, morning crafts, and movement games. Half day camps include craft and movement games/fitness challenges. Camper registration form required.

**CIRCUS ARTS & ARTISTIC GYMNASTICS CAMP (AGES 7-14)**  
Camp combines stunting/partner and group balances, exposure to basic juggling and circus skills (including: rolling globe, rola-bola, stilts, low tightwire and static aerials equipment: trapeze, rope, fabric & lyra/hoop). Beginner-intermediate level gymnastics on apparatus such as, beam, bars, vault will be used as well as tumbling/acrobatics on floor exercise and tumble trak.  
5836 7/24-7/27 M-Th 10am-3pm \*\$156/\$179  
5837 8/7-8/10 M-Th 10am-3pm \*\$156/\$179

**GYMNASTICS CAMP (AGES 6-12)**  
Instruction on the Olympic events: bars, beam, vault, and floor exercise, plus experience our popular 20 -ft. tumble-trak. Basic body positions used in jumps will be taught along with strength challenges that make this a well-rounded fitness camp.  
5877 7/31-8/3 M-Th 10am-3pm \*\$151/\$174  
5878 8/14-8/17 M-Th 10am-3pm \*\$151/\$174

**TEAM GYMNASTICS CAMP (AGES 6-17)**  
Requirement; USAG Level 2-6 skill ability. Appropriate progressions will be used based on competitive level. Camp focuses on perfecting intermediate and advanced skill goals for compulsory or optional routines. Special attention fixing details in newly learned and previous individual routines. Team building exercises integrated through pairing/partnering using stretching, conditioning, contests and circus skills.  
5879 8/14-8/18 M-F 3-6pm \*\$96/\$110  
5880 8/14-8/18 3 Day 3-6pm \*\$65/\$75  
5881 8/14-8/18 2 Day 3-6pm \*\$47/\$54

**HALF-DAY GYMNASTICS CAMPS 8/21-8/24**  
Four 1/2 days of instruction on the Olympic events: bars, beam, vault, and floor exercise, plus experience our popular 20-ft. tumble-trak. Basic body positions used in jumps will be taught along with strength challenges that make this a well-rounded fitness camp.  
5819 Ages 5-7 M-Th 9:30am-Noon \*\$82/\$94  
5835 Ages 8-12 M-Th 12:30-3:30pm \*\$98/\$113

**SKYHAWKS SUMMER SPORTS CAMPS**  
Skyhawks provides fun, safe and positive programs that emphasize critical lessons in sports and life, such as team work, respect and sportsmanship. Coaches use a variety of skill-building games and activities to give each athlete a complete understanding and overview of the sport. Campers receive a t-shirt and either a merit award or player evaluation. Flag Football, Volleyball, Basketball, and Multi-Sport campers receive a sports ball. Tiny-Hawk camps receive a t-shirt and merit award. More details at [www.skyhawks.com](http://www.skyhawks.com).
